) CONSENT ORDER

This matter was opened to the New Jersey State Board of Dentistry upon receipt of a patient complaint from Mr. and Mrs. Richard Ragucci on behalf of their children, Jackie and Dana, concerning dental treatment performed by the respondent consisting of amalgams on deciduous teeth. The Board reviewed the patient records submitted by the respondent and acquired further information at an investigative inquiry held on April 26, 1989.

In order to resolve this matter without recourse to formal proceedings and for good cause shown;

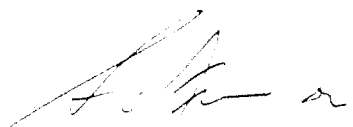

IT IS ON THIS 12th DAY OF MAY, 1989,

HEREBY ORDERED AND AGREED THAT:

1. Respondent shall successfully complete twenty (20) hours of continuing education in pediatric dentistry. These courses shall be approved by the Board in writing prior to attendance and must be completed within four (4) months of the entry date of this Order.

Respondent also shall be responsible to provide the Board with proof of successful completion of the required course work.

2. Respondent is hereby reprimanded for failure to comply with the requirements of N.J.A.C. 13:30-8.8 which provides the minimum standards for maintaining patient records. A civil penalty assessed in the amount of Five Hundred (\$500.00) Dollars for violation of this regulation is hereby suspended in consideration of respondent's current financial hardship. However, respondent hereby agrees that he shall comply in all ways and to the greatest extent possible with all requirements for maintaining patient records pursuant to the aforementioned regulation.
